Dear colleagues,

Nongye Jixie Xuebao/Transactions of the Chinese Society of Agricultural Machinery is an international, scientific peer-reviewed open-access journal published online monthly, free for readers, with article processing charges (APC) paid by authors or their institutions.

We have received the article you submitted, after initial processing it will be sent to experts for review. We will immediately inform you about any problems that could prevent the article from being sent to reviewing. Based on our policy of double peer-blind reviewing the first decision is given to authors about 20-30 days after submission.

All published articles are published in full open - access. They are distributed under the terms and conditions of the Creative Commons Attribution License (CC BY). The copyright is retained by the author(s). In order to provide free access to readers, and to cover the costs of peer review, copyediting, typesetting, long-term archiving, and journal management, Nongye Jixie Xuebao/ Transactions of the Chinese Society of Agricultural Machinery charges Publication Fee at the rate of EUR 400.00. All articles published in our journal are open access and freely available online, immediately upon publication.

We recommend that the authors use the academic text editing service for the scientific articles, not just proofreading. Please use the American English option. We recommend the use of large, trusted companies with editors having a Ph.D. degree. You should also attach an editing certificate or use the editorial office services. Articles that native English speakers do not edit are not allowed for publication. The editorial team provides academic proofreading services for the authors at an additional cost - EUR 80-150, if you don't attach an official English editing certificate. The fee is already included in the invoice.

This notification is generated automatically, if you have no objections to our offer, no response is required from you. If you have any objections to the further process of publishing your article or have any questions, please contact us at the editorial office.

Wish you good health and a nice day!

Sincerely,
Editor-in-Chief, Prof. Ren Luquan (吴勐) <rlq@nyjxb.net>

2. Payment receipt.

Please highlight the corrections in this article in Red. We hope you'll do great.

The reviewers recommend you:

The topic is interesting and important. However, there are several key areas that need more work.

Reviewers:

- 1 - Please add scientific novelty (2-3 sentence) in the abstract.
- 2 - Authors should explain the academic contribution of the work developed (100-150 words in conclusion). Highlighting what is innovative/original about the existing literature.

This paper is novel because it seeks to contribute to the current debate in the literature.....The scientific novelty of the article also consists of a conducted large-scale study describing the author's theoretical and practical prerequisites.....
